Weather Holds & Hot Tubs

Snowcrest is a registered recreational water facility. When the mountain goes on a "weather hold" due to lightning, we are required to close our hot tubs. (This is per state codes.) Our Resident Manager will close and re-open the hot tubs when he gets notifications from Snowshoe Operations.

Keeping homeowners and guests safe is a top priority, so we appreciate your understanding and cooperation.

Meet Your Neighbor The Howard Family - 306B

We purchased our Snowcrest unit in the fall of 2019. What brought us to Snowshoe and Snowcrest was the ski racing team. I came on as a coach and my 2 kids as athletes. The kids have since both graduated from the team, come back as coaches, and are both collegiate ski racers.

We love the summers at Snowshoe, although we don't make it up often. When we do, I love to fly fish all around Pocahontas County as almost all of the streams and rivers offer excellent trout fishing. As a freelance guide, I occasionally guide for Elk River Inn on the Elk River. It is my favorite trout stream and would rival many western streams. My son loves mountain biking and now golf. We all love the music scene.
